

Moulding Installation System

1.

Paint

Paint or finish prior to installation.

Focal Point's patented Quick Clips™ moulding installation system gives you the ability to install professional quality moulding and create elegance in a snap.

This award-winning, revolutionary system changes the way moulding is installed.

2.

Mount

Install Quick Clips™ and cut moulding to fit.

- Quick & easy installation
- No need to find studs
- No nail holes to patch on moulding
- Focal Point® corner blocks eliminate the need to miter corners
- Sturdy, light-weight moulding

3.

Clip

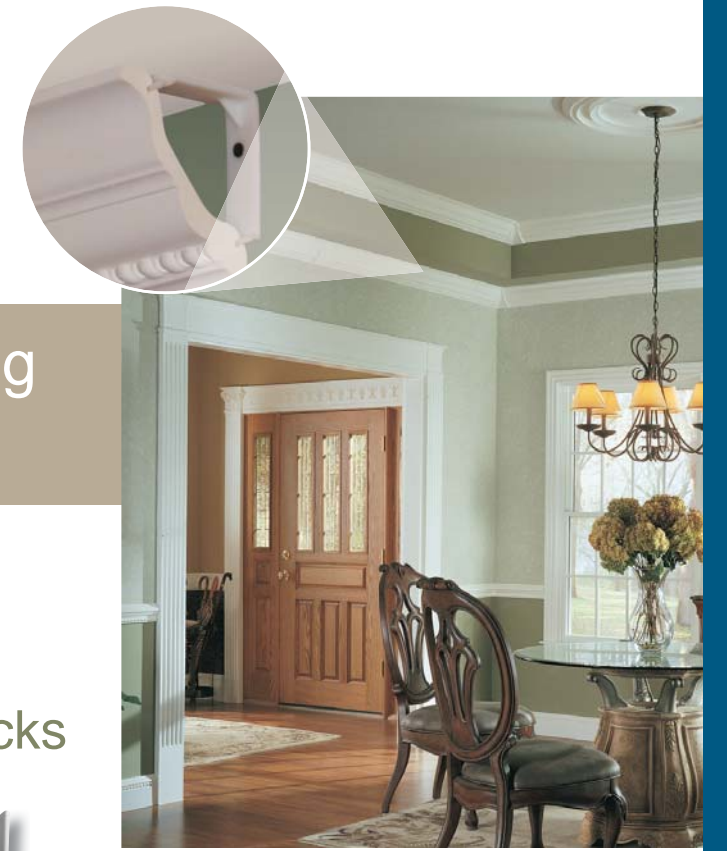

Attach mouldings to Quick Clips.™

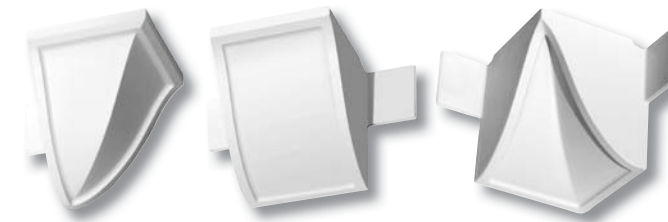

2 Sizes Available:  
5-7/8" Quick Clips™ 6-Pack  
4-1/8" Quick Clips™ 6-Pack

\*Compatible with select Focal Point mouldings.

Installing crown moulding just got easier!
